

Cancelling a Procedure

View a list of cancelled cases in ProVation[®] MD by selecting Cancelled Cases from the dropdown in either the Scheduling or Procedure Documentation sections.

Note: If there are any images attached to the cancelled procedure, follow the process for Image Transfer before cancelling the procedure.

Cancel a Procedure

1. On the left menu, select the finger tab for the appropriate specialty (ex. GI).
2. Select **Scheduling**.
3. **Select the patient** whose procedure needs to be cancelled.
4. Select **Case Detail**.
