

## Change with Code Upgrade - August 2023:

Caregivers will see a new **Submitted Requests** tab when clicking the **Medical Record Request (MRR)** that displays an action tracker anytime a review is requested.

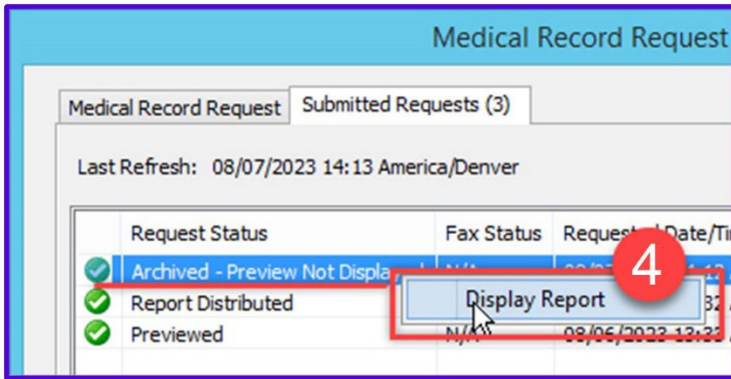

## Preview and Print Workflow:

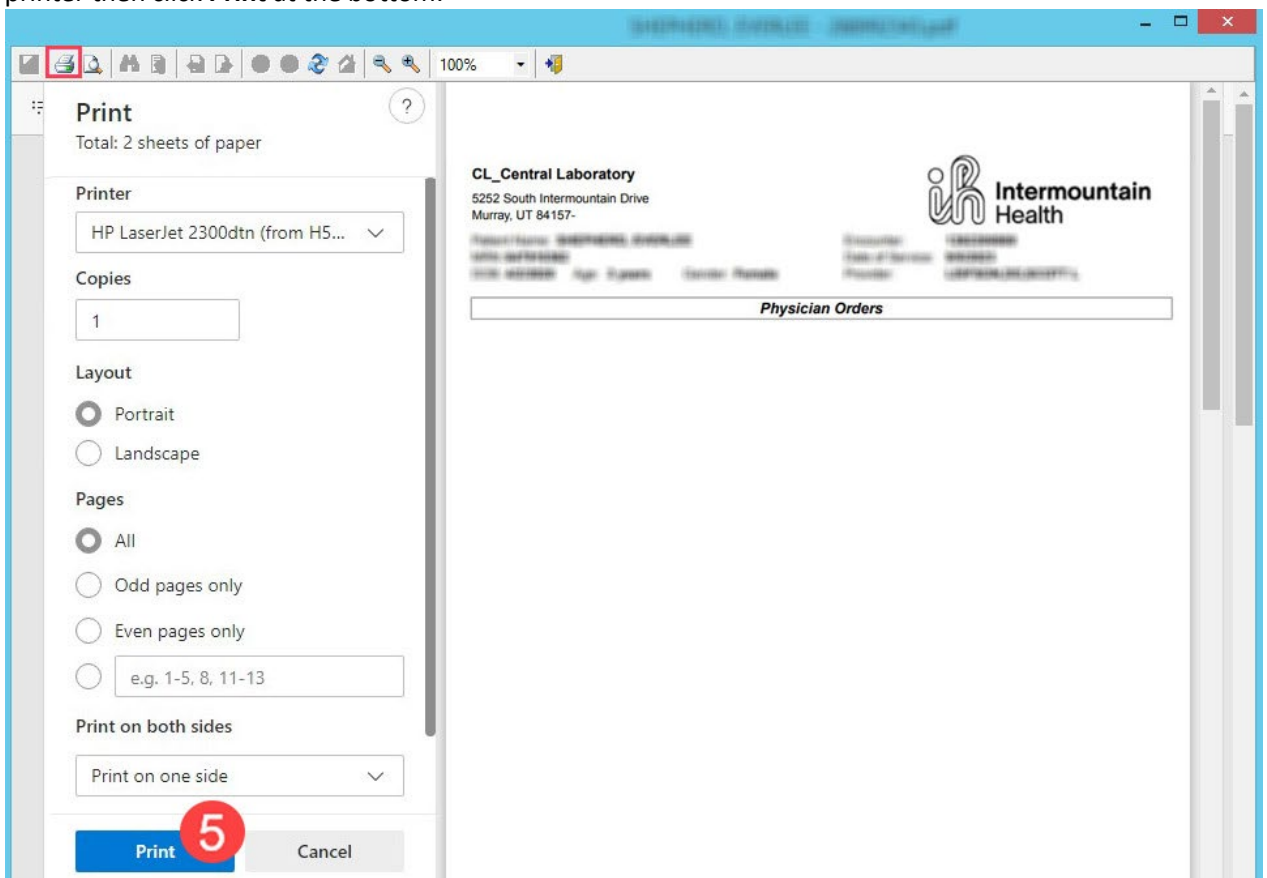

1. Enter information per usual workflow
2. Click **Preview**
3. Click **Refresh** in the **MMR** screen to update the status

4. Right click on your ready  report and click **Display Report** or double click to **Preview**

5. In the Preview window, click the **Print** icon/button in the upper left corner, verify it shows your local printer then click **Print** at the bottom:
